

REQUEST FOR COMPANY'S CONSENT TO TRANSFER DISTRIBUTORSHIP

(Please allow for 30 days from submission of this Request for the decision of the Exception Committee)

dōTERRA Policy Manual, Section 3L

"Except as otherwise noted in this Policy Manual, an IPC may dispose of, transfer, or otherwise assign his or her Distributorship assets in any manner allowed by the Contract and applicable law (including sale, gift, or bequest) with the prior written consent of the Company, which will not unreasonably be withheld. Any assets that take the form of claims to compensation or satisfaction of contractual obligations, from or by the Company, will not be recognized as assets of the transferee on the records of the Company until the Company has received written notification of the transfer and has given its formal written approval. The Distributorship transferred is subject to all remedial measures under the Contract that may have arisen prior to the transfer. A transfer, assignment or other disposition of a Distributorship does not create a new Distributorship; rather, the original enrollment date of the Distributorship will continue to apply as far as any Bonuses, compensation or placement is concerned."
